Location

Cleveleys is a charming seaside town in Lancashire, located between Blackpool and Fleetwood, 16 miles southwest of Lancaster, and 43 miles northwest of Manchester. It caters to a local urban population of roughly 30,000, which expands to around 250,000 within a 10 km (6-mile) radius. The town enjoys strong transport connections with Blackpool and rural Wyre making it a popular destination for local shoppers and tourists alike.

The shop is ideally located in the centre of the shopping district, across the road is Costa Coffee and M&S Foodhall and just along the road is Boots, Superdrug, Iceland and WH Smith as well as a host of independent bars, cafes and restaurants catering for shoppers and beach-bound day-trippers.

Accommodation

The large (11.8m x 5.5m), open-plan retail area is accessed through the bright, open forecourt (9m x 5.5m). A single door currently leads to the store room / office with access to the staff amenity area, W/C and back door leading to the 2x staff parking spaces and service road. We understand the property has Class E use and is currently used as a shop but, with planning permission, would be suitable for a number of uses.
